November 8, 1985

Dr. Peter Haiman  
1090 Miller Avenue  
Berkeley CA 94708

Dear Peter:

Earlier today I read the responses of registrants who had recently attended your "Pre-Schooler" adult education course for parents.

It was gratifying to read that all respondents indicated, in a variety of ways, how valuable, helpful and informative your course was. Positive feedback, important element to everyone - including educators.

Congratulations on what obviously was a very worthwhile course in this community!

Sincerely,

  
Lawrence J. Hughes  
Principal
